

## Locus of Peer Review of NIH Support Mechanisms

NIH CENTER FOR SCIENTIFIC REVIEW (CSR)	NICHD DIVISION OF SCIENTIFIC REVIEW (DSR)
Research Project Grant (R01)	Program Project Grant (P01)
Academic Research Enhancement Award (R15)	Research Project Grant (R01) for Multi-site Clinical Trial
Exploratory/Developmental Grant (R21)	Small Research Grant (R03)
Individual Predoctoral Fellowship for Minority Students (F31)	Resource Related Research Project Grant (R24; solicited only)
Individual Postdoctoral Fellowship (F32)	Education Projects (R25)
Senior Fellowship (F33)	Clinical Trial Planning Grant (R34)
Small Business Innovation Research Grant (R43, R44)	Center Grant (P30, P50; solicited only)
Small Business Technology Transfer Grant (R41, R42)	Continuing Education Training Program (T15)
	Institutional Training Grant (T32)
	Biomedical/Biobehavioral Research Administration Development (BRAD) Award (G11)
	Mentored Research Scientist Development Award (K01; specific programs only)
	Independent Scientist Award (K02)
	Mentored Clinical Scientist Development Award (K08)
	Physician Scientist Award (K12)
	Mentored Patient-Oriented Research Career Development Award (K23)
	Midcareer Investigator Award in Patient-Oriented Research (K24)
	Mentored Quantitative Career Development Award (K25)
	NIH Pathway to Independence (PI) Award (K99/R00)
	Conference Grant (R13)
	Cooperative Agreement (U01, U10, U13, U19, U54; solicited only)
	Request for Applications (Grant) – all mechanisms
	Request for Proposals (Contract)
