

# **Developing an Interdisciplinary Research Agenda for Genetics of Birth Defects: Workshop Attendees**

- Darya Akimova, Weill Cornell Medical College
- Marlene Anderka, Massachusetts Department of Public Health
- Michael Bamshad, University of Washington
- Julia Barthold, Nemours/duPont Hospital for Children
- Terri Beaty, Johns Hopkins Bloomberg School of Public Health
- Morrow Bernice, Albert Einstein College of Medicine
- Leslie Biesecker, National Human Genome Research Institute (NHGRI)/NIH
- Linda Birnbaum, National Institute of Environmental Health Sciences (NIEHS)/NIH
- Suzan Carmichael, Stanford University
- Stephen Chanock, National Cancer Institute (NCI)/NIH
- Wendy Chung, Columbia University
- James Coulombe, NICHD/NIH
- Maximilian Egan, Stanford University
- Joan Ehrhardt, Michigan Department of Community Health
- Richard Finnell, University of Texas at Austin
- Jan Friedman, University of British Columbia
- Elizabeth Goldmuntz, Children's Hospital of Philadelphia
- Steven Gross, Weill Cornell Medical College
- Emily Harris, National Institute of Dental and Craniofacial Research (NIDCR)/NIH
- Jeannine Helm, NIDCR/NIH
- Deborah Henken, NICHD/NIH
- Sonia Hernandez-Diaz, Harvard School of Public Health
- Tyl Hewitt, NICHD/NIH
- Charlotte Hobbs, University of Arkansas for Medical Services/Arkansas Children's Research Institute

- Deborah Hoshizaki, National Institute of Diabetes and Digestive and Kidney Diseases (NIDDK)/NIH
- Lorette Javois, NICHD/NIH
- Catherine Keegan, University of Michigan
- Mustafa Khokha, Yale University
- Ian Krantz, Children's Hospital of Philadelphia
- Dolores Lamb, Baylor College of Medicine
- Edward McCabe, March of Dimes Foundation
- Laura Mitchell, University of Texas School of Public Health
- Jill Morris, National Institute of Neurological Disorders and Stroke (NINDS)/NIH
- Mahua Mukhopadhyay, NICHD/NIH
- Andrew Olshan, University of North Carolina at Chapel Hill
- Richard Panniers, Center for Scientific Review (CSR)/NIH
- Kristin Peterson Oehlke, Minnesota Department of Health Birth Defects/Children and Youth with Special Health Needs
- Rebekah Rasooly, NIDDK/NIH
- Robert Riddle, NINDS/NIH
- Ellen Rosenberg, National Heart, Lung, and Blood Institute (NHLBI)/NIH
- Margaret Ross, Weill Cornell Medical College
- Enrique Schisterman, NICHD/NIH
- Steven Scholnick, NIDCR/NIH
- Charlene Schramm, NHLBI/NIH
- Gary Shaw, Stanford University
- Elaine Sierra-Rivera, CSR/NIH
- Veronica Smith, Arkansas Center for Birth Defects Research & Prevention
- Hung Tseng, National Institute of Arthritis and Musculoskeletal and Skin Diseases (NIAMS)/NIH
- Benjamin Tycko, Columbia University
- John Wallingford, University of Texas at Austin
- Lu Wang, NHGRI/NIH
- Emil Wigode, March of Dimes
- Allen Wilcox, NIEHS/NIH

- Caro, Wise, Texas Scottish Rite Hospital for Children
- Robert Yates, Karori Group LLC
