

Tonja R. Nansel, Ph.D.

Current Position: Senior Investigator, Health Behavior Branch
Division of Intramural Population Health Research
Health Behavior Branch
Eunice Kennedy Shriver National Institute of Child Health
& Human Development
National Institutes of Health

Address: 6710B Rockledge Dr., MSC 7004
Bethesda, Maryland 20892
301-435-6937
301-402-2084 (fax)
nanselt@mail.nih.gov

Education: 1998 PhD, Community/Clinical Psychology, Wichita State University
1995 MA, Community/Clinical Psychology, Wichita State University
1988 BSN, Nursing, Fort Hays State University

License: Registered Nurse, Kansas State Board of Nursing

Academic, Research, & Professional Experience:

Postdoctoral Fellow, Prevention Research Branch, Division of Epidemiology, Statistics, and Prevention Research, National Institute of Child Health and Human Development, Bethesda, Maryland 9/98 to 10/01

Predoctoral Intern, Office of Community Health Cooperative Extension Service, Kansas State University, Manhattan, Kansas, 8/96 to 8/98

Graduate Teaching and Research Assistant, Wichita State University, Wichita, Kansas, 8/91 to 7/96

Nursing Research and Development Specialist; Professional Care Home Health Services, Wichita, Kansas, 6/94 to 7/96

Registered Nurse, Psychiatric Home Health Care Services; Professional Care Home Health Services, Wichita, Kansas, 10/93 to 7/96

Registered Nurse, Behavioral Health, Via Christi Regional Medical Center, St. Francis Campus, Wichita, Kansas, 5/88 to 7/96

Teaching:

Graduate & Undergraduate Education

Psychology of Health and Illness (undergraduate), Wichita State University, 1995-1996

Advanced Research Methods Lab (graduate), Wichita State University; 1993-1996

Introduction to Psychology (undergraduate), Wichita State University, 1994-1995

Guest Lecturing

George Washington University; School of Public Health and Health Services; A Case Study in Tailored Communications, April 2004

Fort Hays State University; Departments of Psychology and Nursing; Prevention & Health Behavior Change in Primary Care Settings: Challenges & Opportunities, October 2002

Tabor College; Department of Education; Bullying among U.S. Youth, Feb. 2002

George Washington University; Maternal and Child Health; Intentional and Unintentional Injuries, June 2001

Funding:

NICHD Contracts

Principal Investigator, Diet, Obesity, and Weight Change in Pregnancy, NICHD, \$3,862,730 2013-2017, Contract #'s HHSN275201300015C (clinical site) and HHSN275201300026I/HHSN27500002 (data coordinating center)

Principal Investigator, Enhancing Carbohydrate Quality in Diabetes Management, NICHD, \$4,119,540, 2007-2011. Contract # HHSN267200703434C

Principal Investigator, Family Management of Childhood Diabetes, NICHD, \$8,855,719, 2003-2009. Contract #'s N01-HD-4-3361, N01-HD-4-3362, N01-HD-4-3363, N01-HD-4-3364, N01-HD-3-3360.

NICHD Division-Funded Projects

Principal Investigator, Blood Glucose Response to Meals of Varying Glycemic Index in Youth with Type 1 & 2 Diabetes, NICHD, \$37,464, 2006.

Principal Investigator, Dissemination of a tailored injury prevention program to facilitate anticipatory guidance in pediatric health care, NICHD, \$58,455, 2005-2009.

Principal Investigator, Feasibility And Acceptability Of A Low Glycemic Index Diet In The Diabetes Camp Setting, NICHD, \$29,479, 2004.

Principal Investigator, Office-Based Interactive Computer Technology for Promoting Diabetes Self-Management among Youth, NICHD, \$70,006, 2002-2003.

Principal Investigator, The Diabetes Management Study, NICHD, \$146,382, 2002-2006.

Co-Investigator, Developmental Influences on Management of Type 1 Diabetes, NICHD, \$106,246, 2002-2005.

Principal Investigator, Tailored Parent and Physician Messages for Pediatric Injury Prevention, NICHD, \$58,050, 2001-2004.

Principal Investigator, Validity of a Self-Report Measure of Home Safety Behaviors, NICHD, \$16,086, 2001-2004.

Principal Investigator, The Effectiveness of Tailored Communication for Pediatric Injury Prevention, NICHD, \$22,050, 1999-2000.

Awards

National Research Service Award, National Institute on Alcohol Abuse and Alcoholism, Testing a Theoretical Model of HIV and AODA Prevention, \$16,789, 1997-1998.

Extramural and Foundation Funding

Community Health Council: Capacity Building and Program Development for an Integrated Future, Health Resources and Services Administration Rural Health Outreach Program, \$597,439, 1998-2001. (Member of grant-writing team; served as research assistant on the conduct of the grant activities.)

Youth Environments Promoting Nutrition and Activity, National Institute on Child Health and Human Development (multi-institute collaborative) \$1,860,732, 1999-2003. (Member of grant-writing team. Named as project director on grant, but relinquished the position to accept NIH postdoctoral fellowship.)

Co-Investigator, Health Needs Assessment for Children Ages 12 and Under in Cloud County, Kansas, Cloud County Community Resource Council, \$8,555, 1996-1997.

Professional Service:

Professional Offices

Special Interest Group Executive Subcommittee of the International Society of Behavioral Nutrition and Physical Activity, 2014 to present

Co-Chair, Children and Families Special Interest Group, International Society of Behavioral Nutrition and Physical Activity, 2014 to present
Treasurer, Behavioral Research in Diabetes Group Exchange, 2009-2012
Co-president, Behavioral Research in Diabetes Group Exchange, 2008-2009
Division 27 (Society for Community Research and Action) Student Representative, 1992-1996

Working Groups

NICHD/NIDDK/NHLBI/ORD expert panel member “Toward a working definition of the metabolic syndrome in children and adolescents,” 2006 – 2007

Health and Safety Organizations Implementation Working Group Subcommittee, Health Resources and Service Administration’s National Bullying Prevention Campaign, 2003-2004

Washington DC William’s Transition ’98 Subcommittee on Health Care Financing, Public Health, and Health Service Delivery, 1998

Professional Meeting Service

Invited Moderator, Clinical Safety—Determining and Delivering Insulin Dosages Using Insulin Pump Therapy, Insulin Pump Safety Meeting, Bethesda, Maryland, November 12, 2008 (Meeting convened at the request of FDA; Klonoff DC, Reyes JS, Insulin pump safety meeting: summary report, Journal of Diabetes Science and Technology 2009; 3(2): 396-402)

Invited Session Chair, Psychosocial-Behavioral Medicine, American Diabetes Association, New Orleans, Louisiana, June 8, 2009

Institution and Institute Service

Trans-NIH Working Group on Intervention Science, 2015-present

NIH Women Scientist Advisors, 2011-2016

NICHD Obesity Research Strategic Core, 2008-present

NICHD Consortium for the Behavioral and Social Sciences, 2007-present

NIH Search Committee Co-Chair, Earl Stadtman Tenure-Track Investigator, Behavioral & Social Sciences, 2013-2014

NIH Search Committee Chair, Earl Stadtman Tenure-Track Investigator, Behavioral & Social Sciences, 2012-2013

NIH Search Committee, Earl Stadtman Tenure-Track Investigator, Behavioral & Social Sciences, 2011-2012

NIH Tenure Track Investigators Committee, 2004-2010

Division Service

DIPHR NICHD Tenure and Promotion Committee 2016-present

DIPHR NICHD Biospecimen Repository Access Datasharing Committee, 2013-present

DIPHR NICHD Search Committee Chair, Epidemiology Staff Scientist, 2015

DIPHR NICHD Staff Scientist Evaluation Committee 2014

DIPHR NICHD Professional Development Committee 2014

DIPHR NICHD Tenure-Track Mentoring Policy Committee 2014

DIPHR NICHD Search Committee, Health Behavior Branch Chief, 2013-2014

DESPR NICHD Search Committee Chair, Epidemiology Branch, 2012

DESPR NICHD Search Committee, Biostatistics & Bioinformatics Branch, 2010

DESPR NICHD Search Committee, Epidemiology Branch Chief, 2009

DESPR NICHD Search Committee, Biostatistics & Bioinformatics Branch, 2009

Grant Review

Diabetes UK 2011

Austrian Science Fund, 2010

Office of Public Health and Science, Prevention and Wellness – Leveraging National Organizations, 2010

Health Research Board, Ireland 2008

Sam Houston State University, Enhancement Grant for Research, 2007

Behavioral Research in Diabetes Group Exchange, Travel Grant, 2007

American Diabetes Association, Healthy Food Choices Grants, 2005

Ad Hoc Journal Review

American Journal of Preventive Medicine, Archives of General Psychiatry, Archives of Pediatrics & Adolescent Medicine, BMC Public Health, British Journal of Nutrition, Canadian Medical Association Journal, Diabetes Care, Diabetes Metabolism Research & Reviews, Diabetes Research & Clinical Practice, Diabetes Technology, Diabetes Technology & Therapeutics, Diabetic Medicine, Health Education & Behavior, Health Education & Behavior, Health Education Research, International Journal of Behavior & Development, Journal of the Academy of Nutrition and Dietetics, Journal of Adolescent Health, Journal of the American Medical Association, Journal of Early Adolescence, Journal of the American Dietetic Association, Journal of Clinical Epidemiology, Journal of Clinical Psychology in Medical Settings, Journal of Medical Internet Research, Journal of Nutrition Education & Behavior, Journal of Obesity, Journal of Pediatric Psychology, Journal of Pediatrics, Lancet, Nutrition Metabolism and Cardiovascular Disease, Nutrients, Nutrition Research, Obesity, Obesity Research, Patient Education & Counseling, Pediatric & Adolescent Medicine, Pediatric Diabetes, Pediatric Health, Pediatrics, Pediatrics, Public Health Nutrition, Social Science & Medicine, Women & Health

Awards:

Fort Hays State University Young Alumni Award, 2002

Society of Behavioral Medicine 2011 Award for Outstanding Research in Child and Family Health

NICHHD Mentor of the Year Award, finalist, 2014

Wichita State University Psychology Alumni of the Year Award, 2016, inaugural awardee

Refereed Journal Articles:

Note: Authorship is listed by order of contribution. Papers and presentations in which the first author was under the mentorship of Dr. Nansel or in which last authorship indicates project leadership are indicated by an asterisk (*).
