Topics To Be Covered

- Finding potential sources of funding for my research
  - Non NIH Federal Sources for funding
  - Foundation and Society funding for research
  - Industry sponsored funding
  - Other items of interest
How Do I Find Out Sources of Potential Funding

- **Mentor(s)**
  - Excellent source of information for "field"
  - Usually knowledgeable about non-NIH sources
- **Office of grants and contracts at home institution**
  - Access to funding announcements
  - Get to know the staff – they are there for you
  - Office of technology transfer

---

How Do I Find Out Sources of Potential Funding

- **Tools to find $$$**
  - Search on your own
    - Internet
    - Foundation information
    - Relevant societies
      - Pediatric Academic Societies
      - AAP
      - ACOG
      - SFM
      - Others (specialty related)

---

RFP for 2011 Research Program
Basil O'Connor Starter Scholar Research Award
RFP for 2011 Prematurity Research Initiative (PRI)

Foundation and Society Funding - HEARST FOUNDATION

- The Hearst Foundations assist leading regional hospitals, medical centers and specialized medical institutions, such as children’s and women’s hospitals.
  The Foundations fund direct medical services that promote wellness, prevention and rehabilitation. Areas of interest include cancer, geriatrics, neonatology, perinatology, pediatrics, women’s health, and the disabled. Support for advanced professional education and training is also considered in these fields.

http://www.hearstfdn.org/
Foundation and Society Funding

- Preeclampsia Vision Grants
  - Up to $25,000
- Welcome Trust
- Society for Maternal Fetal Medicine (SMFM) Website
  - American Institute for Ultrasound Medicine
  - Society of Gynecologic Investigation
- American College of Obstetrics and Gynecology (ACOG)
  - Society of Family Planning Research

ACOG Website

- Abbott Nutrition Research Award on Nutrition in Pregnancy
- *Bayer HealthCare Pharmaceuticals Research Award in Contraceptive Counseling
- *Bayer HealthCare Pharmaceuticals Research Award in Long Term Contraception
- Merck & Company Inc. Research Award on Immunization
- *Merck & Company Inc. Research Award on Adolescent Health Preventive Services
- Pharmavite, LLC Research Award in Menopause
- Warren H. Pearse/Wyeth Pharmaceuticals Women’s Health Policy Research Award

* Dependent upon confirmation of funds which may occur after the October submission deadline. ACOG encourages applications.

ACOG Website

- Donald F. Richardson Memorial Prize Paper Awards
- Ferring Pharmaceuticals Inc. Research Award on Menstrual Bleeding Disorders
- Kenneth Gottesfeld-Charles Hohler Memorial Foundation Research Award in Ultrasound
- Hologic Research Award on Cervical Cancer Prevention
- Hologic Research Award on In-office Gynecologic Surgical Procedures
- Hologic Research Award on Preterm Birth
Foundation and Society Funding

- Thrasher Medical Research Foundation – Pediatric medical research topics
- Cerebral Palsy International Research Foundation
- Bill and Melinda Gates Foundation
- Hearst Foundation
- Society for Obstetric Anesthesia and Perinatology (up to $50,000/year)
- AAP
- ACOG
- SMFM
- ASRM
- SREI

The Endocrine Society's Research (Bridge) Grants
The Society's Bridge Grant program has provided $1.15 million in grant funding to 23 investigators from 2006-2009. ENDO Abstract Awards & Travel Grants ENDO Abstract Awards & Travel Grants provide support for travel to ENDO, The Endocrine Society’s Annual Meeting, Additional Society Awards Other awards that the Society presents, including the Endocrine Scholars Award, the Intel International Science & Engineering Fair Awards, the International Endocrine Scholars Program, the Medical Student Achievement Awards and The Endocrine Society Award for Excellence in Science and Medical Journalism

Grant Seeking from Non Government Sources

Index
- What is a Foundation?
- Types of Foundations
- Steps before Writing a Proposal
- Writing a Proposal
- Fundraising

Topics To Be Covered
- Finding potential sources of funding for my research
- Non NIH Federal Sources for funding
- Foundation and Society funding for research
  - Industry sponsored funding
- Other items of interest
Industry Sponsored Funding
- Confidentiality agreement
- Drug trials
  - Phase I
  - Phase II
  - Phase III
- Device studies
  - Equipment
  - Monitoring devices
  - Tools for medical application/intervention

Industry Sponsored Funding
- Laboratory studies – Preclinical development
- Basic Research
- Translational Research
- Animal models

Industry Sponsored Funding
- For laboratory projects
  - Protocol
    - Part of the "agreement"
  - Time frame for "delivery of results"
    - Include IACUC time
    - Experiments
  - Costs incurred (overruns)
    - Who pays for additional needs
  - Intellectual property rights
    - Be clear – investigator, institution, company
Industry Sponsored Funding

- Requires involvement of your institution and contracts/MOU/legal documentation
- Work with office of technology transfer
- Negotiate aspects of study
- Spell out details in advance
  - Protocol – usually set
  - Protocol - advice
- Finances – read the fine print

Topics To Be Covered

- Finding potential sources of funding for my research
- Non NIH Federal Sources for funding
- Foundation and Society funding for research
- Industry sponsored funding
- Other items of interest

Other items of interest

- Research Awards
  - PAS – Fellow basic and clinical research awards
- Travel awards – multiple societies
  - Funds for meeting attendance
  - Good way to attend meetings if funds are limited
- Scholarships
- Niche areas
