Shared Values

- **Integrity** – We act ethically and do what is right.
- **Respect** – We treat others with courtesy and civility.
- **Diversity and inclusiveness** – We actively seek varied perspectives in our decision-making.
- **Collaboration** – We trust each other and work cooperatively across disciplinary boundaries in the spirit of shared governance.
- **Excellence and achievement** – We constantly innovate, solve problems and improve ourselves and others through learning.
- **Stewardship** – Fiscal and environmental sustainability guides our decisions.
- **Accountability** – We are answerable to each other and act with the best interests of the university in mind.
